### Special 400<sup>th</sup> Anniversary Talk by

Professor Buchanan, Master of St Peter's  
College Oxford, and Pro-Vice-Chancellor of  
the University of Oxford, "*[S]carce a blot  
in his papers: Celebrating 400 years of  
the 1623 Shakespeare Folio.*"

In this well-illustrated talk, Professor  
Buchanan will discuss what this hugely  
influential volume has offered to the world.  
The talk will include revealing points of  
comparison with previously published,  
single-work editions of Shakespeare's plays  
and some histories of loss, sale, theft, and  
recovery that individual copies of the 1623  
Folio have accrued in their passage down the  
centuries. In 2022 Professor Buchanan was  
invited by Sotheby's New York to speak  
about a rare copy of the 1623 Shakespeare  
Folio that came up for sale.
